Former Champ Refuses To Battle Fred Fulton; Is Ready To Post Cash

LAWRENCE, Kan., Feb. 15 .- Jess Willard declared today that he would not meet Fred Fulton in the heavyweight division prior to his champion ship bout with Jack Dempsey, Labor

"If they dont' let me meet Dempsey I wont' fight again and that goes,' he declared. 'I'm a former champion, I am in line for a return match. I don't want to meet second raters. I'm not broke and do not need the money like some fighters.'

Willard said it appeared that "a bunch of sport writers want to make it easy for the champion." He said it would take a hundred years for him to meet all 'white hopes'

that had been 'dug up.' "I am after Dempsey," he continued. "They stepped out on me at New York. I didn't make Dempsey and his manager put up any money for March 17. They took advantage of that to run out to the coast for a movie contract. It was lot's softer for the champion. Dempsey's manager said I, ran out of New York. As to Party Lines-

Numerous tests have proved that five minutes are usually sufficient to complete an ordinary business or social transaction by telephone.

Courtesy in the use of a party line will enable all persons entitled to telephone service over it to receive their share.

Occasionally a conversation on a party line is interrupted by another patron. Please be courteous and receive his apology kindly. Do not retort with a "Get off the line" or a similar remark if your neighbor accidentally interrupts.

Nor is it a kind act to compel your neighbor to wait more than FIVE MINUTES while you hold the line unless your conversation is very important. Please remember he is entitled to an equal amount of service with you.

Telephone courtesy will enable your neighbor to complete his conversation sconer than if he is asked if he is "going to hold the line all day."
